ABOUT MÅNS EKSTEDT

Måns has worked with patents since 2002. Before joining Zacco Sweden in 2024, Måns has worked at Zacco Norway as well as at another IP company in Sweden. He has also worked as in-house patent counsel, first in the field of medical devices and recently with aerospace/electrification.

At Zacco Sweden, Måns works primarily with patent drafting and prosecution. He also has experience from FTO, oppositions, appeals, oral proceedings, and litigation. Måns passed the EQE in 2007, and was Managing IP Rising Star in 2018/2019.

Måns has dual university degrees: M Sc in Industrial Engineering from Chalmers University of Technology and B Sc in Economics from University of Gothenburg.
