

INVITATION

WORLDS BEST MORNING: CREATING A SAFE ZONE FOR INNOVATORS

Friday, September 29, 2017, 8:00 - 9:30

Media Evolution City, Stora Varvsgatan 6A, 21119 Malmö

PCI-DSS, GDPR, ..., WTF. Is compliance taking over the world?

Do you feel like security and compliance are just ticks in a box that leads to frustration and added costs? We feel you. But does it have to be this way.

Johannes Ivarsson, Smart Refill, Jonas Halldin and Maria Beijer, Zacco will show you how legislations, business security requirements and frameworks can be used to grow your business and create a competitive advantage. We will show you how to get control over your infrastructure and internal acceptance for things you've been longing to implement."
