ABOUT ANDREAS LINDGREN

Andreas is a certified European Patent Attorney and has worked within intellectual property since 2007. He started his career at another Scandinavian intellectual property company and joined Zacco in 2023. Andreas has a broad perspective on technical areas covering many different technical fields, but typically with a focus on software-implemented inventions. Main technical areas covered so far are video encoding, energy distribution, lighting systems, nanotechnology, machine learning, airplane docking, sound encoding, and general physics. Andreas is an expert in patent prosecution with extensive experience in building a portfolio with an international perspective.

Andreas has a big interest in building relations with both clients and partner firms throughout the world, hence, he is a frequent traveler with a diverse network.

Andreas holds a Ph D in Physics from Lund University where he defended his doctoral thesis in 2006.

AREAS OF EXPERTISE

Services

- IP Portfolio Management
- IP Strategy Development
- IP Strategy Implementation
- IP Strategy Workshops and Coaching
- Patent Drafting
- Patent Landscaping
- Patent Monitoring
- Patent Prosecution

Technical field

- Algorithms
- Artificial Intelligence
- Computer Sciences
- Databases
- Digital Signal Processing
- Digitalization
- Food Technology
- Information Technology
- Internet of Things (IoT)
- Machine Learning
- Manufacturing & Process Technology
- Materials Technology & Nanotech
- Nuclear Technology
- Physics
- Robotics
- Sensor and Measurement Technology
- Signal Processing

Industry expertise

- Automotive
- Consumer Products
- Food & Beverage
- Furniture
- IT & Software
- Media & Entertainment
- Medtech
- Sustainability / GreenTech / CleanTech
- Telecommunications
