ABOUT MADS DANNEVIG

Mads graduated from the University of Agder in 2007. He studied industrial economics and information leadership after his bachelor degree in computer science. Throughout his career, Mads has been passionate about innovation, research and development and has therefore developed an expertise in Norwegian soft funding schemes.

Mads joined Zacco in June 2024 as a senior advisor R&D funding specialising in ICT projects and has contributed to more than 400 projects in a wide span of disciplines, schemes and areas. 17 years in the business of R&D soft funding is unique in Norway and as a team player Mads is proud to play his part in Zacco's R&D funding team.
