ABOUT ANTTI RANNI

Antti joined Zacco in 2024 as a Trainee Patent Attorney after defending his PhD thesis in Solid State Physics at Lund University. He holds a MSc in Engineering Physics from Aalto University in Finland.

At Zacco, Antti will work with patent drafting, filing and prosecution of patent applications in close collaboration with his mentors during the training phase.

Prior to moving into the field of IP, he gained five years of research experience as a PhD student in semiconductor physics and nanotechnology, especially in nanofabrication, electronic devices and measurement technology. Apart from the experimental side of physics, he also has a broad background in data analysis and simulating physical systems.

AREAS OF EXPERTISE

Services

- Novelty Search
- Patent Drafting
- Patent Monitoring
- Patent Prosecution

Technical field

- Digital Signal Processing
- Electronics
- Information Technology
- Materials Technology & Nanotech
- Mechanical Engineering
- Mechatronics
- Physics
- Sensor and Measurement Technology
- Signal Processing

Industry expertise

- IT & Software
