ABOUT SIMONE TEMBERG FJEDERHOLT

Simone joined Zacco in 2024 as a Patent Attorney Trainee, specializing in Electronics and ICT.

She graduated from Aarhus University in 2023 with a bachelor's degree in Electrical Energy Technology Engineering. Throughout her time at university, she focused on grid integration of renewable energy, with a particular focus on wind energy. This included areas such as energy system stability, power flow optimization, smart grids, and power quality. During her internship at a leading wind turbine company, she built upon the knowledge obtained at university and expanded her practical experience, gaining insight into how these processes are applied in the industry.
