## ABOUT NANCY SORSH

Nancy joined Zacco in 2025 as a Trainee Patent Attorney.

She holds a Master of Science degree in Mechanical Engineering and graduated in 2024 from KTH Royal Institute of Technology. Before joining Zacco, Nancy gained experience in the energy industry, working part-time as a Design Engineer during her studies and later as a Project Engineer after graduation, primarily focusing on Battery Energy Storage Systems (BESS).

At Zacco, Nancy works mainly within Mechanics. She is developing her expertise in intellectual property and patent consulting.
