ABOUT DRAGANA VUKOVIĆ

Dragana joined Zacco in 2019 as a patent attorney in the team for Electronics and ICT. Before joining Zacco, she worked 4 years in another IP company in Denmark where she started her career in the IP profession. At Zacco she mainly works on drafting patent applications, patent prosecution, prior art searches, and freedom to operate analysis.

Dragana obtained a MSc degree in 2010 at the University of Belgrade, Serbia, and a PhD degree in 2015 at the Technical University of Denmark, Photonics Department.

Dragana has special technical knowledge in the fields of optics, photonics, nanotechnology, optical telecommunications, and mechanics.

AREAS OF EXPERTISE

Services
