ABOUT SARA MATTSSON

Sara Mattsson joined Zacco in February 2019 and is working as IP and Digital Brand Coordinator.

Her tasks as IP Administrator include administration in relation to patent prosecution, oppositions and appeals i.e. filing of applications, responses with authorities, administrative handling of applications as well as correspondence and contacts with clients and foreign agents.

Her tasks as Digital Brand Coordinator include working with project management and assist consultants and clients within all Digital Brand matters such as domain name management and monitoring services for the online presence of registered trademarks.

Sara also works with inhouse paralegal services.
