ABOUT NICOLE WIPPLINGER JESSEN

Nicole has many years of experience working in project administration and management. Before joining Zacco's Translations team in 2017, she was responsible for managing and coordinating the completion of all language projects in the state-owned company Femern A/S which she joined in 2009. The years with Femern A/S gave her a thorough understanding of the translation and localisation business and she gained extensive project management skills within this area.

Nicole graduated from Copenhagen Business School in 2006 and holds a master's degree in Translation and Interpretation in German as well as a bachelor's degree in Intercultural Marketing.

She is a certified translator within the language combination German/Danish/German.
