## ABOUT CHRISTEL BINDERUP JOHNSEN

Christel has 18 years of experience in administrative work and has been working in the IP Business for 14 years. Today she works with IP Administration and the creation of guidelines of internal procedures.

She graduated from Copenhagen Business School in 2012 as master in German and Business Communication with a specialization in internal communication during a change process.

In 2005 Christel joined Zacco and during 2005-2008 she worked as a patent assistant. In 2010 she worked as a student worker in the Process Management Department and 2011-2012 she was annuity assistant with focus on developing guidelines and a product site.

Since 2012 she has been working as paralegal for both small, medium and large clients within the fields of mechanics, software and electronics. Besides from that she is a mentor for new paralegals and has also been part of internal projects focusing on internal processes.
