ABOUT MARITA BERGGÅRDEN

Marita joined Zacco in 2010 and works as a Senior IP Coordinator and Key Account Administrator. Her tasks include handling all kinds of patent and design applications, formal documents concerning the rights to the inventions and also updating and checking clients' databases. She primarily handles the SAAB account which includes any kind of work in a patent department of a large industry.

Before joining Zacco Marita worked for Valea between 2003-2010 and for Willquist & Partners between 2000-2003. Before 2000 Marita worked in the finance sector.

Marita has attended various IP-related trainings and is an experienced assistant/paralegal.
