ABOUT INGE LISE ØRVING

Inge Lise Ørving joined Zacco in 2010 and is working as an IP administrator. Her tasks include file management and correspondence with clients, patent authorities and foreign associates. She primarily handles patent and design applications.

Before joining Zacco Inge Lise worked for another Copenhagen-based patent agency for a number of years. Over the years she has attended a large number of seminars and conferences relating to patent and design work, primarily focussing on PCT and EP filings.

Inge Lise is a member of DAIPA (Danish Association of Intellectual Property Administrators).
