ABOUT BEATRICE LEWIN

Beatrice has joined Zacco in 2021 and works primarily with project management and assist consultants and clients within all Digital Brand regions.

She graduated in 2017 and holds a bachelor's degree of arts with a major in Work Life Science.

Prior to joining Zacco Beatrice have been working with recruitment for several different companies. The last couple of years she worked at Post Nord where she handled large recruitment processes for several different business areas within the company.
