ABOUT AKSHAY KUMAR

Akshay has joined Zacco in September 2021. He has nine years of enriched experience in Intellectual Property in Patents & Trademarks from filing, prosecution to grant including annuity payments in US, EP, and other countries.

He has more than 13 years of professional experience overall. His past professional engagement includes working with an IP company for a period of seven years. In addition, he has worked for another IP company for two years at the start of his career.

He is a science graduate and aspires to be a patent agent. In his free time, he always wants to learn new things that can add value in his resume professionally or personally.
